Seniors must meet in the bus parking lot by 1:40 PM and their time slot is from 2-2:30 PM. Please inform students that they must have their tickets with them in order to attend college day.
3. Service Academy Day is sponsored by Senator Thom Tillis and is open to high school students interested in attending one of the military academies after graduation. It will be held on the campus of High Point University on Saturday, September 26th from 10 AM – 1 PM. See your counselor for more information.
4. Please encourage Seniors to stop by Sam Wall's office for information on some exciting scholarship opportunities they may be eligible for. New scholarship opportunities arrive daily.
5. Please encourage your students to stop by the counseling department as they have lots of information available for them and their parents.
6. During PLC's this Week:
 - Where are your classes in relation to the county pacing guides?
 - If you had benchmarks, discuss low areas in benchmark data and brainstorm ways to increase in those areas.
 - What primary documents/articles have you used since the last PLC meeting and how did you incorporate it within your classes?
7. Teachers make sure you are following student behavior plans. Counselors are updating behavior plans for non-EC students and you will get a copy after you sign it. EC teachers will get a copy of behavior plans for the

EC students on their headcounts. If you have a student that you think may need to be on a behavior contract see Lisa Fortenberry.

8. Friday, September 25th is a half day for students and we will conduct professional development here at school from 1-2:00 PM.

9. Friday, September 18, 2015 is the last day at our school for Carla Burns. Carla we will miss you and we wish you the best.

10. Food For Thought: Instead of complaining that the rosebush is full of thorns, be thankful that the thorn bush has roses.

11. How do you know if students in your classroom are engaged?

Pats on the Back: to JJ Hurst for getting our “Sean Speaks” program piped into our Freshman homerooms and to Jerome Ramsey for covering math classes while we search for another teacher.

“Summer ends, and autumn comes, and he who would have it otherwise would have high tide always and a full moon every night; and thus he would never know the rhythms that are at the heart of life.”
